KEYNOTE SPEAKERS

Paul Henderson

Canadian hockey hero, Paul Henderson, played professional hockey for 18 years and is best remembered for scoring the winning goal in the last three games of the 1972 Summit Series against the USSR (the first Canada vs. Russia series). The "Goal of the Century" in the final game won the series for Canada.

Mr. Henderson has been faithfully serving with Power to Change in the ministry of LeaderImpact Group for the last 27 years.

Dr. Edmund Ho

Dr. Edmund Ho's extensive experience in engineering management and consultancy has centered on wireless communications since his early years as a design engineer, a senior lecturer at the Hong Kong Polytechnic University, and a strategic consultant for Hong Kong's electronic industry and government agencies.

Dr. Edmund Ho is a successful businessman who transformed an engineering design house into a digital wireless communication product company, Ascalade Communications Inc., which was listed on the Toronto Stock Exchange (TSX).
